2.) I am an individual associated with Widener University Commonwealth School of Law

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

The law library will be helping a professor with her immigration case research for a forthcoming scholarly article she is working on. The nature of her research involves tracking the number of immigration cases filed in the U.S. District Courts that have specific Nature of Suit (NOS) codes and specific Cause of Action identifiers to better understand the success and failure rates of these particular types of immigration cases, and also see if trends can be identified on how the Courts decide whether to hear these types of cases during different time periods. With a significant reduction in the law library budget this current year, an exemption from PACER fees for this purpose would help the library fulfill it's mission of supporting the faculty in their scholarly works.

4.) In support of this application, I affirm the following:

- a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.
- b) That the exemption will be for a definitive period of time: August 1, 2020 - July 31, 2021
- c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.
- d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement ☒ may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
